

## Parent Testimonials

As a lifer alumni, former employee and now as a parent I can truly say MCS is the very best and there is no other pre-8th grade school I would want my children to attend. Loving family like environment that nurtures creativity and sets standards high. Builds the foundations for a love of Christ that is sure to stay with them into adulthood. – *Rebecca England (Parent and MCS Alum, posted 2015)*

Outstanding school, academics and the best caring teacher i have ever seen. I feel blessed to have my daughter study here. I would highly recommend this school. Absolutely one of the best!! - *Rajdeep Kaur, posted 2013*

All three of our children attended MCS from pre-school through 8th grade. The educational and spiritual foundation they received there prepared them for secondary school at Archbishop Mitty High School and later for college where all three graduated in four years. MCS made a huge, positive impact on our children and our family. – *Kevin Conan, posted 2014*
